John Adams said that if wise people don't get involved in public service, other people will. I feel that if I want the government to function how I believe it should function, I need to do more than just vote. As Clerk/Auditor, I will help protect our inalienable rights to life, liberty and the pursuit of happiness, by:

- strengthening support for the Clerk's duties regarding elections,
- ensuring that the county's financial software has proper controls, and
- doing several other things that won't fit in a 200-word essay. Visit my website.

Why vote for Ricky Hatch?

Passion for Good Government

I'll base EVERY decision on Constitutional principles and the original intent of the Founding Fathers. Positions include: Precinct Chair, Legislative Chair, GOP State Audit Committee, Weber County GOP Treasurer (current), Farr West Planning Commissioner (current).

Worldwide Experience in Accounting and Auditing

I have been a CPA and CISA (Certified Information Systems Auditor) since 1997, working for the world's largest CPA firm, PriceWaterhouseCoopers, in Los Angeles and Poland. In Germany and Boston, I co-managed a multimillion dollar project involving 42 countries. I have been an auditor and an auditee-*I know both sides*.
